ABOUT

Our first brand, Salvezza, was established in 2018.

Afterwards, Ezza Home was established in 2019 and continued its activities without losing its excitement.

Both companies have increased their production quality and customer satisfaction, and in 2022 they had strengthened their forces by merging under the name of "SALVEZZA EZZA MOBİLYA SANAYİ TİCARET A. Ş." SALVEZZA EZZA FURNITURE INDUSTRY AND TRADE INC. registered the “By Ezza” brand in the same year and strengthened its presence in the market on the way to branding, staying true to its vision.

Being at the forefront of Turkey's furniture design, marketing and export moves, SALVEZZA EZZA FURNITURE INDUSTRY AND TRADE INC., Thanks to its corporate structure and huge production capacity, has the technology and qualified personnel to compete with global brands. By Ezza, which does not abandon its eco-friendly approach at all stages of its work, is growing day by day.

By Ezza has a monthly production capacity of 7000 bedrooms in an area of 6500 square meters. And by establishing EZZRAY, which is located in an area of 4500 square meters, our company now produces the furniture rails it needs for its own furniture production, entirely within its own structure. EZZRAY is a brand of SALVEZZA EZZA FURNITURE INDUSTRY AND TRADE INC.

EZZRAY Rail Systems manufactures 17*342 thin ball rails, 35 mm Telescopic Rails and 45 mm Telescopic Rails,PKM 80 Wheel,Led Wall Lamp with a monthly production capacity of 900,000 pieces.
