Warum Naturix Verkleidungsprodukte von Dream Houses?

✿ Naturix – Die Zukunft natürlicher Oberflächen

Naturix Holz-Kunststoff-Verbundprodukte werden aus sorgfältig ausgewählten, recycelten Materialien – darunter Kunststoffflaschen und wiederverwertete Holzfasern – hergestellt und sind am Ende ihres Lebenszyklus zu 100 % recycelbar. Mit ihrer authentischen Holzoptik, der angenehm warmen Haptik und einer einzigartigen, patentierten Technologie setzen Naturix Produkte neue Maßstäbe in der Branche.

Das Ergebnis: langlebige, pflegeleichte und umweltfreundliche Oberflächen, die natürlich schön bleiben – Jahr für Jahr. 🌿
